

ZEBRA SHADES

horiso®

Horiso's Zebra Shades feature dual layers of alternating sheer and opaque fabric strips. This design gives precise control over light and privacy adding a sleek, modern finish.

Key Features:

- **Light Control:** Take control of your environment with Horiso window shading systems. Adjust the light levels in your home seamlessly.
- **Fabric Range:** Offered in a range of fabric options to suit any decor.
- **Versatility:** They can be adjusted to provide a view of the outside or offer privacy, making them suitable for various rooms.
- **Child Safety:** Child-safety devices provided as a standard on chain systems. For a chain-free solution, our motorised and sunset options eliminate the need for chains entirely.
- **Peace of Mind:** Worry less with 3-year warranty.
